第三类……

2. Part One 问题类型及回答策略

Sample: What types of transport in your hometown?

Well, in my hometown, there are many different kinds of transport. **The most popular one is buses**. The main reason is that bus fare in my hometown is very cheap about one Yuan for round-trip . So when I go to school, I prefer to take buses. **A second type of transport** which also gains a large popularity is taxi. The explanation for it is that it's very speedy and comfortable, especially when your are in hurry, taxi is your best bet.

I hate

I cannot stand

I detest

I am not fond of/passionate about...

2. Part One 问题类型及回答策略

Sample: What kinds of sport do you like?

Actually, I **am keen on** all kinds of sports. To be more precise, playing basketball is my **favorite one**. The most important reason is that I am **a huge fan of** Yao Ming. Furthermore, I think playing basketball can strengthen my body and cultivate my personality especially the endurance and team work spirit.

2. Part One 问题类型及回答策略

Sample: Do you like animals?

Well, to be quite honest, in general I would say that **I'm actually quite keen on** animals, but in particular I would probably have to say that **I'm really into** domestic pets like dogs. I guess the reason why **I'm a fan of** dogs is because I **adore** their loyalty and companionship.

2. Part One 问题类型及回答策略

Sample: Is there anything you do not like your hometown?

To tell you the truth, I **dislike** the weather, especially the summer months. This is due to the high temperatures . So I **cannot stand** the unbearable feeling caused by the sweltering weather. **In addition to this**, I'm **not really fond of** the public transport system. Almost every day I will be stuck in the traffic jam because of a large number of taxies, private cars, etc
